Lucksted Breaks GVSC Records

Bill Lucksted, a '79 GHS grad, broke two Grand Valley State records and tied another one Saturday in a 52-21 romp over Ferris State.

Lucksted, a starting wide receiver since his sophomore year, caught five passes for 135 yards and two touchdowns. Lucksted now holds the career receptions and total yardage records formerly held by Rob Rubik and Jeff Chadwick, who play for the Detroit Lions.

Lucksted also tied Chadwick's 19 career touchdowns record and has five more games to play in his senior year. Lucksted has a 18.1 yard average for his 88 career receptions and has caught a pass in every game since starting his sophomore year.

Don Thomas, sports information director for Grand Valley, said Rubik, Chadwick, and Lucksted all played together in 1981 and Lucksted led the trio in touchdowns that year. Rubik, a tightend who also had a good weekend helping Detroit to a 38-14 win, says Lucksted may be the best receiver among the three.

European Adventure!

Next Travelogue Thursday Night

The next exciting full-color true life adventure of the current travel and adventure series sponsored by the Community School Program will be held Thursday evening, October 13 in the Joseph Stripe Auditorium. Appearing alive and in person on that evening to narrate this next thrilling film adventure will be Howard and Barbara Pollard. Doors to the auditorium will open at 6:45 and the travelogue will begin promptly at 7:30.

"Great Capitals of Europe" is a film for the serious traveler and serious dreamer alike. In this film, you will not only take in the intriguing cities of London, Rome, Madrid, Paris, Amsterdam and Venice, you will also learn fascinating advice about the different modes of travel and types of accommodations while there. You'll have an opportunity to compare first class and economy travel while discovering the urban gems of Europe. Find out the real truth about European train travel. Experience what it's like to dine in the great restaurants of these fascinating European cities. And complete your trip with a journey to the Isle of Capri where you will experience a montage of climates, cultures and cuisines. Don't miss the "Great Capitals of Europe" Thursday evening. Single admission tickets will be available at the door as will the money saving Passports to Adventure. Profits derived from the Travel and Adventure Series will be used to expand the services offered by your Community School Program.

Chamber Annual Banquet Oct. 27

The annual banquet of the Grayling Regional Chamber of Commerce will be held at the Holiday Inn on October 27 beginning at 6:30 p.m.

A cash bar will proceed the delicious stuffed pork chop dinner. Following the dinner, a short program and dancing will round out the evening's festivities.

The usual incentive of door prizes will be available for those who follow the anticipation of good fortune.

The cost of the affair will be \$10 per person and tickets are available at the chamber office, or from members of the board of directors.

County Color Tours Oct. 15-16

Guided color tours will be held in Crawford County on October 15-16 with Crawford County Public Transportation furnishing the bus.

The tours will be held at 10 a.m. and 2 p.m. with the starting point at the Grayling City Park. A tour guide will be on hand to discuss the glacial makeup of the area and the reasons for the various colors for different species of trees.

The charge for the Dial-A-Ride bus will be \$1. Those who desire to drive their own vehicles are welcome to follow the bus and join in the discussion at the numerous observation stops.

Season Passes For Hanson Park Skiing Now Available

With the opening of Hanson Park for the 1983-84 ski season just 3 months away right now would be a good time to consider making plans for winter activities. With that in mind, the Grayling Recreation Authority has established new rates and membership fees for the coming season. Applications for memberships are now being accepted at the park offices which are located in the old Bear Museum Building. Rates for a family membership this year are \$175 if purchased prior to December 1 and \$200 if purchased after that date. Individual membership fees are \$80 prior to December 1 and \$95 after that date. This year, there is no distinction between adult and student individual memberships.

Range Firing Conducted

Range firing will be conducted at Camp Grayling during the period 12-16 and 18 & 19 Oct 1983.

Firing will be in the following areas on the dates and times as indicated.

The Small Arms Ranges located west of Lake Margrethe, north of Howe Rd, east of the gas pipeline and south of Portage Creek. Firing will begin at 8:00 a.m. 15 Oct and cease at 5:00 p.m. 16 Oct 83.

The Range 40 Complex located north of County Rd 612, east of Guthrie Lake, south of Old State Rd 618 and west of County Rd F97 (Twin Bridge Rd). Firing will begin at 9:00 a.m. (Daily) and cease at 5:00 p.m. (Daily).

The ranges will be closed to the public during these periods and all persons are warned to keep out of the areas identified.

Lots of Bowhunters; Few Kills Reported

By Jon Thompson

Crawford County woods have attracted a lot of bowhunters but the archers haven't been reporting too many kills, said DNR wildlife biologist Ray Perez.

"There were quite a few out there last weekend," Perez said. "And so far they're not doing very well."

He said bowhunters should see a lot of deer but not adults.

"The adult population is down. The hard winter a couple of years ago hit them pretty hard. There's a lot of younger deer around because of a good fawn crop after last year's easy winter."

Perez said that bowhunters are usually pretty selective and won't shoot at the first deer they

see if it's a young one. Often they'll wait to see if they can get a shot at a big adult.

Perez said he expects a fair season at best in Crawford County for both bowhunters and rifle hunters. Although bowhunters can shoot deer of either sex, Crawford County will be bucks only for rifle season, Perez said, to try to build the herd up.

Skip Madsen, of Skip's Sport Shop, said the unseasonable warm weather could be accounting for the low success of bowhunters.

"It's too nice out. There are too many leaves and other cover left and the deer aren't moving yet," Madsen said. "We need a good hard frost and cold weather to get them moving."

The biggest buck killed he knew about was

an eight-point taken by Chuck Bonamie, a former Grayling resident up from Florida.

Madsen said bird hunting has been reported as good in some places and generally duck hunters were happy with a lot of Canadian geese taken. Bear and squirrel hunting hasn't been too successful in the county but raccoons are reported to be around in large numbers.

Bob Smock, of Old AuSable Sporting Goods, said the bowhunting season has turned out halfway decent after a warm first week. He said four groups were in his store after bagging three or four deer and one downstate hunter took home an eight-point. Smock said hunters are seeing a lot of deer in the woods especially now after warm weather during the first week.

Weyerhaeuser Open House Scheduled for Saturday

The public is invited to an open house at the Grayling Structurwood® Weyerhaeuser Mill Saturday, October 15, from 8 a.m. to 4 p.m.

Guided tours of the \$60 million facility will be conducted and films, displays, and refreshments will be on hand at the mill. The new plant began production last fall.

No private vehicles will be allowed at the mill site. A shuttle bus service will be operated from the Grayling High School where free parking will also be available.

For safety reasons, children under 12 cannot be admitted. Older children must be accompanied by an adult. Closed-toe footwear with flat heels are mandatory to enter the mill. Other safety equipment will be provided.

To help tours run smoothly, Weyerhaeuser is asking persons with last names beginning in A-G to go on the 8 a.m. shuttle, H-M on the 10 a.m. shuttle, N-S on the 12 noon shuttle, and T-Z on the 2 p.m. shuttle. The shuttle service will return visitors to the high school about two hours after departure.

BASKETWEAVERS CONVENTION DRAWS 400—The 3rd annual Michigan Basketweavers Convention held in Grayling drew 400 weavers and visitors Saturday to the Grayling Holiday Inn. Grace Kabel (first table at right), the woman responsible for gaining recognition for basketweaving in Michigan, was one of 17 instructors at the convention organized by Katherine Hickey, of Grayling, with help from Nancy Dean and Mary Reynolds. Open houses held by Carl and Rose Hatfield, Marion Welsh, and Kay Lech on Friday evening drew as many as 132 visitors. (Photographs by Jon Thompson)

M-72 West Paving Expected To Start Again Wednesday

By Jon Thompson

Paving work on M-72 West is expected to start again Wednesday following delays caused by rain and scheduling conflicts with a sub-contractor. Central Paving, of West Branch, said they should begin grinding out the remainder of the old pavement Wednesday and start paving Thursday.

Paving the seven and a half mile stretch of M-72 West from Grayling to the Kalkaska County line is expected to take about three weeks because the old pavement will be recycled. After the old pavement is torn up, it is crushed and incorporated into the new material to be laid.

The work on M-72 West started four weeks ago and was slowed down with an entire week of rain and scheduling problems with a Detroit sub-contractor who is grinding the old pavement. Central Paving received an emergency traffic ruling to lower the speed limit on the road in its rough condition.

Central Paving also completed a state highway project on I-75 this year and is 95 percent finished with a project on M-72 East. The West Branch company was the major paving company involved in several large county road projects this summer as well.

Homecoming Friday Vikes Blank Gaylord 14-0

GRAYLING WINS BACK 'LOG' — Grayling Viking players, cheerleaders, and fans enjoyed placing the "Log" back in the GHS showcase after whipping their northern rivals 14-0. Grayling has beaten Gaylord three times out of nine years since the traveling trophy was created. (Photograph by Jon Thompson)

By Jon Thompson

Grayling rubbed their northern rivals' noses in the mud Friday shutting out Gaylord 14-0 on a rainy night.

The Vikings took home the traveling "log" for the first time in seven years as they blanked an opponent for the third time this season. This Friday Grayling will try to knock off second-ranked St. Ignace, a class D school, in the GHS Homecoming game.

Grayling improved to 3-2 overall by taking advantage of two Gaylord fumbles. After both clubs were stopped

on their opening series, Gaylord fumbled on their second possession and Rodney Patterson recovered giving Grayling the ball on the Gaylord 6-yard line.

Jon Nicholas churned in from the one through the mud, rain, and Gaylord tacklers to give Grayling all the points they needed. Nicholas added the two-point conversion to give Grayling an 8-0 lead in the first quarter.

In the second quarter, Gaylord fumbled a punt and Mike Hickey recovered the wet ball on the 20-yard line.

Patterson raced in from ten yards out on Grayling's fifth play and completed scoring for the game.

Head coach Bill Klinger said his defense was solid and his offense executed well despite the poor playing conditions. The defense stopped Gaylord cold all night. When penalties gave Gaylord the ball at Grayling's 35, Darrin White threw the tailback for a 4-yard loss on the next play. Later in the game, Mick Lovely turned a Gaylord reverse into an eight-yard loss and White

Does Red Cross Deserve Your Support?

By Harrison Goodhue
For American Red Cross

When Congress chartered the American Red Cross it established its primary responsibility to be rendering assistance to members of the Armed Forces of the United States, their Families, and Veterans, in both times of Peace and War.

As every Serviceman and

Servicewoman knows, American Red Cross has been their friend in need ever since.

One of the most outstanding things Red Cross does to help Servicemen and their families is to maintain a 24 hour, 365 day per year, FREE communication service between the Servicemen and their families.

The heart of this com-

munication facility is known as "AMCROSS" and is located in the American Red Cross national headquarters in Washington, DC.

If a Serviceman or Servicewoman is located outside the domestic U.S., a message can be sent, in emergency, from that location to the family in the U.S.

From Our Corner...

One more Grayling Booster Club's annual Installation Dinner was a huge success as members jammed Scheys Country House and Timber Room for a prime rib dinner with dancing following last Saturday night...

What started out as an innocent conversation back in 1971 about basketball between Jim Bendig, Jack Mead, Tom St. Germain and Irv McIsaac a decision was made to send the Grayling Viking basketball team to Northern Michigan University to a summer basketball camp...

The biggest hurdle was where was the money going to come from...Bendig and McIsaac decided to co-sign a \$1,000 note at the bank and they sold 50-50 tickets to pay the money back...for two years this small group sent the team to summer camp, the second year was to Central Michigan University...

From this group sprang the idea of forming a Grayling Youth Booster Club that numbers between 800 and 900 members at the present...and more people are joining every day...for a time if you weren't a member of the club you were nearly considered an outcast, that is how it effected Grayling and Crawford County...

In the years since its beginning, the club has donated well over \$125,000 to youth projects and scholarships in Grayling, Lovells and Frederic...always helping where it was needed...one major endeavor the club undertook was bailing out the athletic program at the high school one year when the voters turned down a millage request which forced the school officials to abandon sports for that year...through their efforts the athletic program was saved...

In the first year that the club was in operation they cleared \$20,000...money that the club has donated to the various projects has come from selling 50-50 tickets...jackets...dues...dinners and games that they put on...

The club has been good for Grayling, and has survived only through the dedication of the people who belong and have supported all of their activities...

It was through the perseverance of Jim Bendig and Irv McIsaac that this club has flourished and has helped so many of our youth today...Grayling can well be proud of its Youth Booster Club...many towns have copied the club's by-laws and how it was organized...

We had a visit with Irv McIsaac Sunday afternoon and one of the biggest things that he told me was how happy he was about seeing the young blood of our community being installed as new officers of the club Saturday night...

The club needs new ideas from young heads, and Irv mentioned they need to have a plan to continue on as the club has in the past...

Installed as new officers for the coming year Saturday night were: Gerry St. Germain, President; Jim Tobin, Vice-President; Dave Lemmen, Secretary and Jim Kitchen, Treasurer.

It should also be noted that Jim Tobin and Mike McNamara were among the players that went to the basketball summer camp and are now serving on the Board of Directors. Mike is a Board member and Jim the new V-P.

From small acorns...grow tall trees...this could sum up the history of the Grayling Youth Booster Club...it is now in the hands of the young to keep the tree growing...

This takes care of this weeks efforts...frost was on the pumpkin Monday morning and the day turned out beautiful...must be getting ready for Halloween...time to say goodnight to T.J., Stefany and Amber and to all our readers, have a nice weekend...

Interesting Events In Grayling 23 Years Ago

INTERESTING ITEMS OF NEWS GATHERED FROM THE FILES OF THE AVALANCHE OF 23 YEARS AGO

23 Years Ago October 13, 1960

Margrethe and Olga Nielsen left Friday for Grand Rapids to spend some time visiting their sister Anna.

Dr. and Mrs. B.E. Henig left last week on Tuesday for San Francisco, Calif., and Los Angeles, planning to attend a medical convention. They were accompanied by Dr. and Mrs. Phil Huber of Detroit.

Miss Shirley Hoerl is enjoying a two-week vacation from the Grayling State Bank. At home last week she left Saturday for Detroit to spend this week visiting her grandmother, Mrs. William Fox.

Mrs. Fred Bear and Mrs. George Griffith returned home last Thursday after a three-week trip to Birmingham, Ala., where they visited Mrs. Bear's sister, Mrs. John Xan. Enroute they called on Mrs. George Schley and Mr. and Mrs. Thomas Jenkins at Indianapolis, Ind., and on the way home Mrs. Bear spent a couple of days with Mrs. Schley again, while Mrs. Griffith visited friends in Port Wayne, Ind.

An unidentified silver-colored object was noted in the skies over Grayling last Friday, which was probably a weather balloon, although some observers thought of it as an object carrying pontoons, because of its occasional double appearance. It was observed at the Avalanche at five minutes before forenoon, traveling in an easterly direction.

Don Sorenson was home from his work at Jackson over the weekend visiting his family.

Mr. and Mrs. Bill Joseph spent the weekend at Drummond Island, on a hunting trip.

The family of Tom Douglas spent the weekend with their aunt, Miss Margaret Douglas.

Mrs. Vern Hartman made business trips to Grand Rapids and Traverse City, this past week.

Mrs. Ruth Caid, Mrs. Margie Harwood, Cindy and Eddie Harwood visited Mr. and Mrs. Bud Caid and family at Houghton Lake.

Lt. and Mrs. Ed Rutkowski of DeWitt are the proud parents of an eight pound, three ounce girl. To be known as Mary Ann, she was born on September 30th at St. Lawrence Hospital in Lansing. Her grandparents are the Stanley Rutkowski and the Louis Carriveaus of Grayling.

Miss Linda Smock was the guest of Miss Louise Oppy at Roscommon Thursday night, and attended the Roscommon school with her on Friday.

Jerry McEvers was in Saginaw last week on Tuesday, to attend the new Rambler showing, and brought back one of the 1961 Buicks. He went again on Thursday evening, accompanied by Mr. and Mrs. Norman Lavrack and family, to bring home another one for himself.

46 Years Ago October 14, 1937

Axel Peterson, Richard Lovely, Eugene Papendick and Joe Kernosky and their families enjoyed spending Sunday visiting the William Jensen family on the South Branch. A delicious chicken dinner was the big feature of the day.

Miss Margrethe Nielsen, cashier at Gray-

ling State Savings Bank, is enjoying a week's vacation. She is spending the time in Saginaw.

The AuSable Dairy with Victor Petersen as proprietor, has added a soda fountain in connection with the dairy business. The fountain was installed this week together with booths for the convenience of patrons.

Mrs. Foryst Barber has returned to her duties in the local Welfare office, following a two weeks vacation which she spent in company with Mr. Barber on a trip to Kentucky. Among the interesting places visited was Mammoth Cave, which is a big attraction for sightseers.

Adam F. Gierke has been honored by the Grand Lodge of Brotherhood of Railroad Trainmen by being presented with a beautiful gold emblem known as a Brotherhood Veteran Button for membership in that lodge for 50 years. It dates from October 16, 1887, and with the emblem is a gold colored membership card.

Mr. and Mrs. William Hunter entertained with a family dinner at their home Saturday evening honoring their daughter Miss Hazel and her fiancé Mr. Willard Haines of Pontiac. The table was centered with a lovely wedding cake and a miniature bride and groom found in front of the places of the honor guests. Miss Hunter will become the bride of Mr. Haines on October 16, the ceremony to take place in Pontiac.

Mr. and Mrs. LeRoy Millikin and daughter Marian Jean spent Sunday at the home of Mrs. Millikin's aunt, Mrs. George Skingley.

69 Years Ago October 15, 1914

Miss Johanna Hendrickson is assisting in the post office for a couple of weeks.

Walter Cowell has purchased the barber shop of Frank Gierke and took possession last Tuesday.

Mr. Gierke and family will move to Manistique in the upper peninsula. It is regretted to lose Mr. Gierke and family from Grayling.

Henry Bauman returned Tuesday from a western trip taking in several Pacific coast cities. Among many former Grayling friends he met while on his trip were Mr. and Mrs. J. M. Jones and family, of Centralia, Wash., who formerly lived in this city and will be remembered well by most of our people.

Mayor T.W. Hanson is in receipt of a new Hupp runabout.

Ernie Van Patten, who has been employed as machinist at the Grayling Machinery Repair Co. this summer, has resigned and is the new engineer at the planing mill.

Work on the new fish hatchery building has nicely begun and the foundation for the building is nearly completed. This project is being financed by individual stock subscriptions and will be incorporated for \$5,000. Rasmus Hanson of this city is president; W.B. Mershon of Saginaw vice-president; Marius Hanson secretary-treasurer; and Philip Zalsman, superintendent.

The Bible Speaks

From Calvary Baptist Church

WHO IS GOD?

Jonathan Schell in his book, "The Fate Of The Earth" made many references to God, but who did he mean? On page 178 he said: "A third principle would be respect for God or nature, or whatever one chooses to call the universal dust that made, or became, us." Schell made his own preference known on the same page: "As a fundamental property of matter, nuclear energy was nature's creation." While Schell seems to clearly identify his concept of God as eternal matter or nature, on the same page he exalts man's ability to exploit nuclear energy as, "extra-human powers performing the miracle."

It is no wonder then that Schell refers to the earth as being sacred: "With respect to its individuality, then, the earth is not so much like a cell as like an individual person. Like a person, the earth is unique; like a person, it is sacred; and like a person, it is unpredictable by the generalizing laws of science." It is no wonder Schell refers to human beings as sacred: "Human beings have a worth—a worth that is sacred. But it is for human beings that they have that sacred worth, and for them that the other things in the creation have their worth."

It is natural then for Schell to speak of the "biological immortality of our species" as his goal for mankind on planet earth. Schell places great stress on the future unborn and their relationship to our present generation. It is amazing how any Humanist could seriously read and believe Schell's book and still justify abortion on demand.

It is clear that human life

and intelligence is the supreme force Schell is trusting: "...man is a beginning, for all chains of means and ends, no matter what their ultimate goals may be, start up out of man, whose existence they presuppose, and only then circle back into him, and so are wholly enclosed within human life. In that sense, man does not serve as a "final end" so much as stand prior to all means and ends, shaping and defining them according to his nature and his will." This is why Schell seems to think man is his own final judge: "Mankind is not, in the ancient phrase, the measure of all things; he is the measurer, and is himself measureless."

"Professing themselves to be wise, they became fools, And changed the glory of the uncorruptible God into an image made like to corruptible man...Who changed the truth of God into a lie, and worshipped and served the creature more than the Creator, who is blessed for ever. Amen. "Romans 1:22, 23, 24. (adv.)

Grayling Elementary

In Mrs. Ingvarsson's class they made scarecrows to put on the wall. They also learned about fog. In reading they have workbooks called "A Pocketful of Sunshine." One day when school began it was raining. Then they saw a rainbow so they made rainbows. They learned that rainbows are always opposite the sun. To learn about colors of the rainbow, they have Roy G. Biv. R is red, O is orange, Y is yellow, G is green, B is blue, I is indigo and V is violet. Also during inside recess they play a memory game. By Jordan Stancil, 4th grade.

In Mrs. Knibbs' second grade class they had an experiment with three plants. They put one in the sun, one in the freezer, and one in a box. The one in the sun turned green and the one in the freezer died, and the one in the box turned yellow.

They also went to the fish hatchery. They took a walk in the woods and looked for signs of fall. Mr. Hatfield gave them food for the fish. They watched for fish of all sizes. They watched a truck come and scoop out the fish. By Angie Thompson, 4th grade.

On September 30, 1983, the fifth grade class from Grayling Elementary School went to Jack Millikin's, Inc. to see all the equipment. We watched the rock crusher crush a few big rocks. Then we went to the cement plant. We watched it drain out three thousand pounds of sand. We went to see the pond that all the water comes from. We all collected a few rocks and had a lot of fun. By Heather Garnett, 5th grade.

Miss Johnson's third grade is studying their science book, things such as, animal habitat, and groups of animals. Another thing they are studying is famous people such as: O.J. Simpson, Davy Crockett, Jack Dempsey, P.T. Barnum, Babe Ruth, and Dorothy Hamill. By Aaron Raymond, 4th grade.

Mr. and Mrs. Tom Morris were called to Saginaw due to the death of their son-in-law, John Billmeyer. John spent much of his early life in our community and has many friends who extend their deepest sympathy to the family.

Mrs. Mary Flanagan of Royal Oak spent a few days at her cabin.

Paul & Jean Silver Silvernail & their son Scottie recently moved to Michigan from Florida. They will reside in Grayling for now. Jeannie is the daughter of Bill & Dolly Baughn.

Mrs. Edith Maki received word of the death of her sister who lived in Colorado. We extend our deepest sympathy to her & the family.

Mr. and Mrs. Harold Johnson spent the weekend visiting friends in the thumb area.

Mr. and Mrs. J.Q. Nichols and Mr. and Mrs. Raymond McClanahan entertained the 500 club at a potluck supper Saturday evening at the ladies clubroom, after which cards were enjoyed. Prizes were won by Ruth Caid, Virginia Parker, Pat Miller, Jack Kearney, Andy Parker and Bill Braun. The next card party will be January 3rd. Plan to join the group.

Mrs. Mabel Rooker passed away in Virginia. Mrs. Rooker was a former resident of our community and had many friends who extend their deepest sympathy to her son & family.

"Thanks" to everyone for the cards, visits & phone calls since Bill experienced his recent illness. He is doing so great, such caring friends have helped.

Bill & Dolly Baughn

CARD OF THANKS

We wish to thank neighbors, friends, members of the family, and Rev. Jeff Regan for their love and concern during the fire at our home on Ole Dam Road.

We would also like to thank the Fire Department and Police Dept. for their efficiency and care.

God Bless You All.

and Stacey Kent combined to sack the quarterback when Gaylord was on the move.

Greg Helsel led the team with 8 tackles, Patterson had 7, and White 6.

On offense Nicholas ran for 86 yards, Patterson 41, and Barsie Cross 19. Klinger said his team had to run wide all night because of the sloppy field and his pulling guards, Kent and Riley McNamara, along with Pete Huss, White, Patterson, Helsel, and Cross did well blocking as Grayling used mainly pitch sweeps to gain 153 yards on the ground.

Ron Wyman, the center on punts, and Ken Lademan, the punter, were also praised by Klinger for an errorless game in the rain.

The J.V. team lost 20-6 and travel to St. Ignace this Thursday.

Facts of Law

Attorneys &
Counselors at Law

Computers are a quickly growing field, but laws have not kept pace with them and the rather unique crime problem they present: an intruder needs only a terminal and a telephone and does not leave fingerprints. Florida passed the first computer crime statute in 1978, but as yet there are no federal computer crime laws.

NOMINAL DAMAGES are awarded when the injury suffered is considered slight, but the responsibility of the party at fault must be recognized.

Wichita, Kansas strives for a peaceful image: a local law states that movies with prizefighting scenes cannot be shown.

You as a parent are not responsible if your child breaks a neighbor's window or steals a friend's bicycle - unless you encouraged your child to do so, or you could have prevented the act but didn't.

A basic legal rule is that when a person volunteers incriminating statements to the police, they do not have to warn him or her about constitutional rights; however, if an officer then starts to question the person, such warnings must be given.

Registrations will be held on Saturday, October 22, from 11:00 a.m. to 1:00 p.m. at the R & H Sports Center for all boys and girls in grades 3 thru 6 wishing to play organized basketball this winter. There will be a \$6.00 participation fee and you must bring a parent or guardian with you to sign up.

Over 140 boys and girls participated in the league last year, and a large group is expected this year. Something new has been added to the league, games this year will be played Saturday morning at the Middle School gym instead of the High School gym to help out on the transportation of the players.

Red Cross

(Continued from Page 1)

The message will be telephoned from AMROSS Headquarters in Washington to the nearest Red Cross Chapter to the city where the message is addressed. The local Red Cross Chapter upon receipt of the message will immediately telephone it to the addressee; or, if there is no phone, will deliver it.

Any spouse, child, or parent of a Service individual can, in emergencies, send a message to the Service person outside the U.S., via AMROSS, without charge. All that has to be done is to call the local Red Cross Chapter, state the emergency, and give the identity of the addressee and the message to the SMF Worker on duty.

If the Service person is located within the domestic U.S., the local Chapter, at its expense, will telephone the Red Cross worker at the military station and transmit the message. When responses to messages are received the local Chapter will phone the message to the originator.

In overseas locations, the message usually reaches the Service person's base within a few hours. If the Service person is aboard a ship or submarine, the message is transmitted to the Commanding Officer of the vessel at sea and sometimes takes a little longer.

In emergencies, money can be transferred from home to the Service person at his or her location, or vice versa. A parent may want to send money. If so, local Red Cross Chapters authorize the immediate distribution of such funds to the Service person by the Red Cross Field Service Director at the overseas location via an AM-CROSS message. When a properly signed receipt arrives at the local Chapter, it sends a check to the Red Cross Field Service Director to replace the advance.

If there is serious illness or death at home, the local Red Cross Chapter verifies the facts of the situation by talking directly to the Physician in charge, or the Undertaker, and reports these facts to the Red Cross office at the Service person's location. The Military accepts this monitoring by Red Cross and immediately acts to grant leave if the facts justify.

Last year this Chapter spent over \$700 in telephone messages and modest grants to stranded Service people in fulfilling this Congressional chartered Service.

And three Crawford County Red Cross Volunteers make sure that some will respond to a phone call any time of the day or night, every day of the year!

If you had a child or spouse in the Military Service wouldn't you want this Red Cross Service available?

Doesn't an organization that provides vital humanitarian services like this deserve your financial support?

You probably received a letter from this Red Cross Chapter asking for a contribution to maintain these vital Red Cross Services and enclosing a self addressed envelope. Won't you please use the envelope to send a check to make sure this Chapter can continue to render these special Services to the folks of Crawford County?

If you didn't receive a letter, won't you please send a check anyway to Crawford County Chapter/American Red Cross, RR 2, Box 2515, Grayling, MI 49738? Thank you!

The New Dream

By Rev. Thomas A. Bruno
Minister of
The Congregational Church
Roscommon

Oliver Wendell Holmes once said, "I have in my breast a plant called reverence." Yes, each one of us, I believe, has such a plant and its condition and health depend on us. He went on to tell us how he kept his plant nourished, "I go to church to have it watered."

Katherine Mansfield another figure of literary reputation also recognized the true "joy of man." One day a stranger obviously impressed with her poems gave her extravagant praise. Mansfield modestly replied, "There is not one of them I could show to God."

I often feel the same way about my own accomplishments, "There is not really one of them I would want to show to God."

One thing lacking in modern man is an awed reverence for God. Such a reverence which stands in awe of God and his mighty works - is a fear which the Psalms describe as the beginning of wisdom. Solomon prayed for wisdom as he took over the leadership of his country. And it pleased God that he uttered such a prayer and Solomon was richly blessed with wisdom.

Such a reverence (fear) allows man to stride through life a free man unafraid. Cardinal Mercier gives us this platitude "The greater our fear of God, the less the fear of man." The greater our fear of God the less will be our fear of anything, for what could touch us in life if we know that our life is RIGHT with God.

Why not be wise enough to fear the correct things in life and to fear only Him, so that you need fear nothing!

AT&T SHAREHOLDERS: COME TO A SEMINAR AND LEARN ABOUT THE HUTTON CONNECTION.

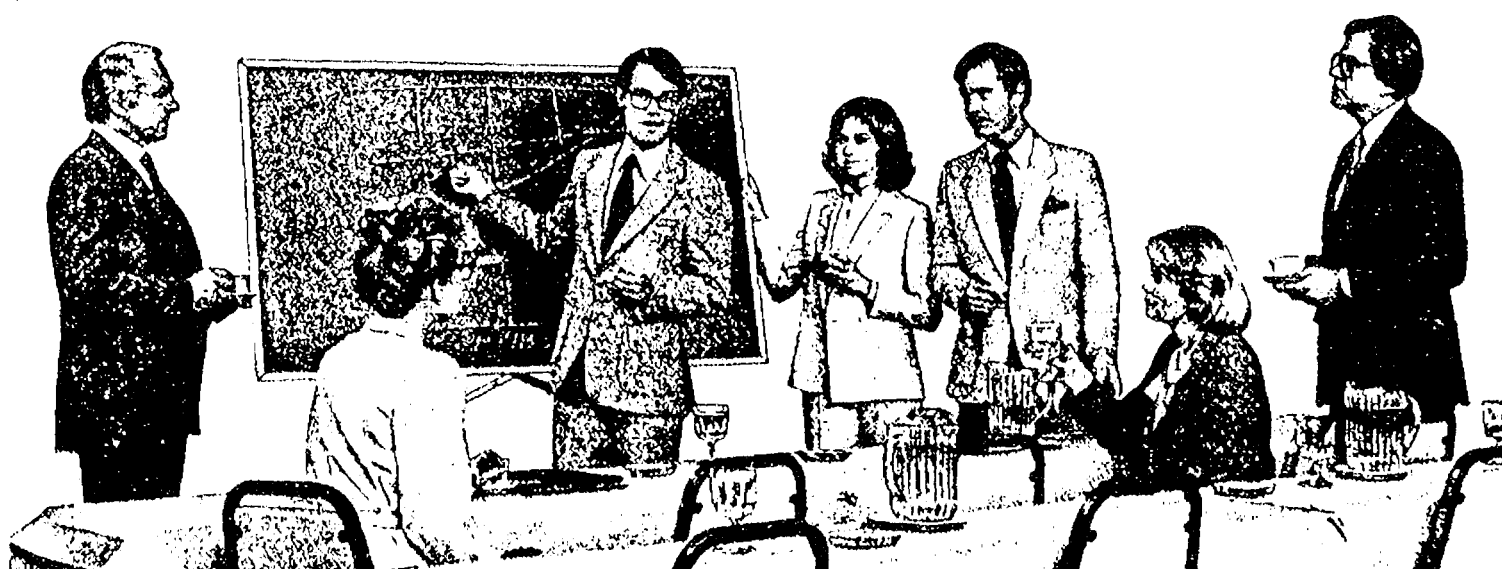

If you are an AT&T shareholder, you're going to need all the information you can get about the January 1, 1984 divestiture. You will need to know what the courts are doing and the analysts are saying, what the resulting telephone companies are going to look like and what are your choices for action.

Because the situation keeps changing, there are no easy answers. So E.F. Hutton has established "The Hutton Connection." It's a series of communications about the issues that are important to you. Come to a free seminar and we'll give you the information that you need. The kind of information people listen to.

Businesses Pledge
Efforts To Hire
Youth Members

Warren M. Hoyt, Executive Director, MPA

Governor James Blanchard, whose summer youth corps program officially expired October 1, has announced a project to help the 5,000 former youth corps workers still looking for private sector jobs find and compete for employment openings.

The joint government-business Job Opportunity Project will operate with \$110,000 through December 31.

The governor said 19 business and trade associations have agreed to participate in the project, and he called on all other employers in the state who have job openings to contact the state and consider as potential applicants the "sincere young men and women who have demonstrated their willingness to work."

Blanchard said the youth corps alumni, who also participated in career planning workshops, are not to be given preferential treatment, but are merely to be notified of when a job opening occurs and where to seek the interview.

In the current economy, he said it is hard to know where to look for jobs. He added he is confident thousands of job opportunities will be offered through the project.

Edward Deeb, executive director of the Associated Food Dealers, said the aim of the project is to prod businesses to hire motivated employees.

Chris Kindsvatter, president of the Michigan Merchants Council said it represents an opportunity for businesses to interview persons who have already shown a desire and interest in developing a career.

The project will be run by Nancy

Doktor, an administrative assistant with the Department of Civil Rights and Tim Ervin, director of the Office of Conservation Job Programs in the Department of Natural Resources.

The project is to establish a pool of workers who are looking for jobs, to categorize the pool by geographic area, age, job skills and certification for targeted jobs tax credits, and refer to interested employers for interviewing those workers who meet employer requirements.

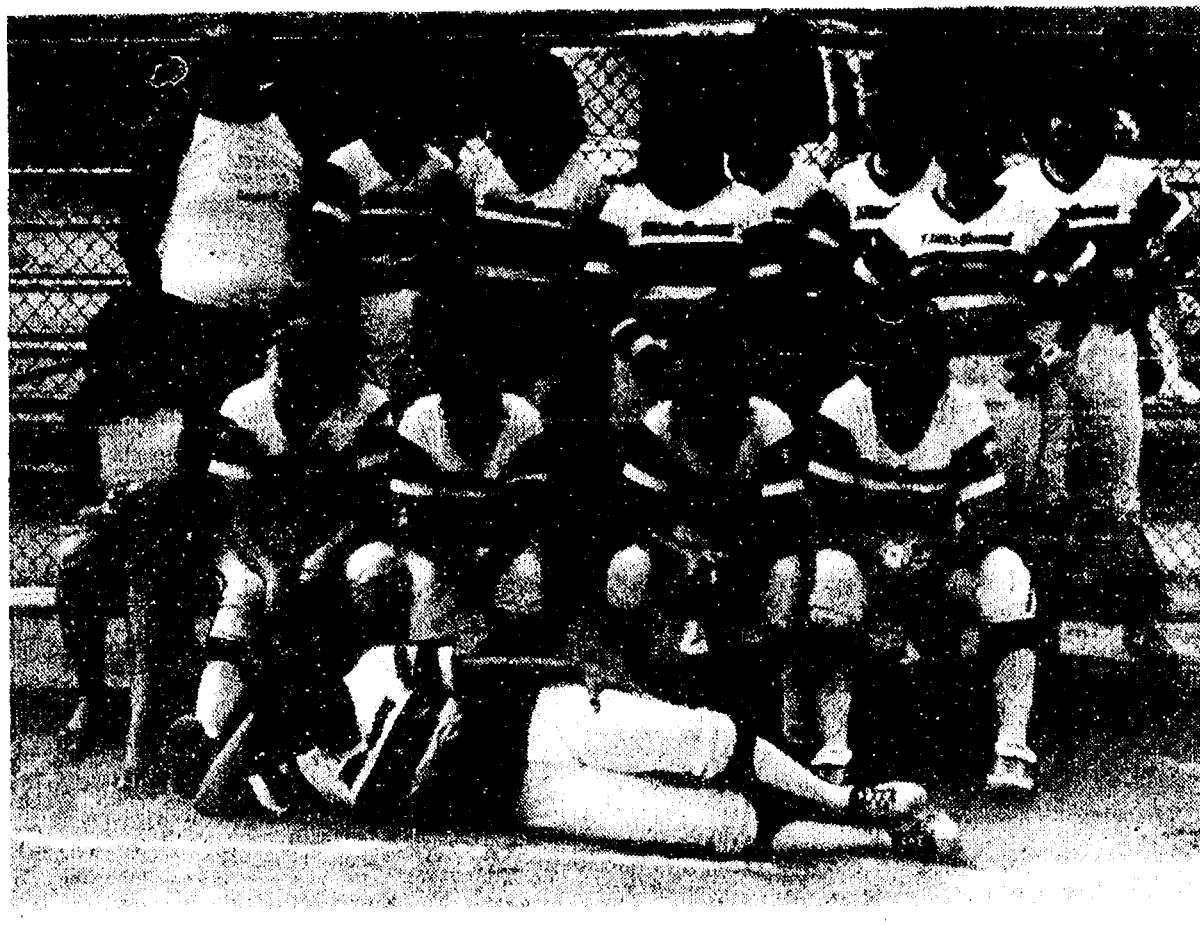

Employers are eligible for a tax credit of up to 50 percent of the first \$6,000 in first year wages for hiring persons from economically disadvantaged homes or from areas of high unemployment.

Blanchard said he would expect to propose some form of summer job programs next year, unless the economy has "radically turned around," which he does not expect.

It may take a different approach than this year's, however, he said because it is hard to repeat a "smashing success."

Participating in the project are the Associated Food Dealers, Bill Knapp's Restaurants, Health Care Association of Michigan, Hudson's J.C. Penney Company, K-Mart, McDonald's, Meijers, Michigan Food Dealers, Michigan Hospital Association, Michigan Lodging Association, Michigan Merchants Council, Michigan Non-Profit Homes Association, Michigan Restaurant Association, Michigan Retailers Association, Perry Drug Stores, Sears, Service Station Dealers Association of Michigan and Wendy's International.

2ND AT STATE—Little Caesar's, a team of Grayling and Gaylord players, finished second in the state in Class D slowpitch softball. Pictured above are Sue Mogle, coach, (front) sitting left to right, Laura Miller, scorekeeper, Becky McEvers, Linda Whiskin, Jean Stevens, Krystal St. John, and standing, Dave Whiskin, coach, Debbie Zelek, Michelle Noiro, Carol VanNuck, Joyce Stevens, Brenda Carlson, Penny Holzman, and Joan Stevens.

Caesar's Miss State
Title by 3 Runs

Little Caesar's, a team of Grayling and Gaylord players, stretched an above average year into a run at the state title - and came home just three runs short.

Caesar's ended the regular season in the women's slowpitch league at Gaylord tied for second with two other teams. No one was picking them to carry home the state class D title.

But they easily won the district championship and things started going their way in the state play-offs. With Linda Whiskin pitching, Becky McEvers catching, Krystal St. John at first, Penny Holzman at second, Debbie Zelek at short, Carol VanNuck at third, Brenda Carlson in left, Joan Stevens in center, Jean Stevens as rover outfielder, Michelle Noiro in right, Joyce Stevens as alternate outfielder, Sue Mogle as back-up and head coach, and Dave Whiskin as assistant coach, Caesar's won four straight at state.

They picked up a forfeit in

the first game, defeated a Newberry team 5-1, pounded a Comstock squad 15-1, and nipped an Ann Arbor team 4-3.

They were the only undefeated team left in the tournament and only had to win one game for the title. But Tom's Bar of Laingsburg played well, handing Caesar's a 15-6 loss and winning the title game 6-4.

It was the first year together for the Caesar's team and they plan on playing together again next year. That's good news for their sponsor but bad news for the rest of the state.

Girls Lose 2 Close Games

By Jon Thompson

Grayling suffered its first losses of the year last week dropping a 57-53 game to Cheboygan and a 55-54 game to Gaylord. The Vikings found out who their competition will be in the league as Gaylord and Cheboygan improved their records to 4-0. Grayling is 2-2 in the league and 6-2 overall.

The girls face a key mental game Tuesday night against Charlevoix on the road, head coach Tom Mills

said. This Thursday they play St. Ignace at home.

Mills said the close losses didn't knock Grayling out of the title hunt. Gaylord, Charlevoix, and Petoskey, 3-1, have yet to play each other. Grayling already has played those top three teams beating Petoskey while losing by a total of five points to Gaylord and Charlevoix.

Against Cheboygan, Mills said his club was out rebounded and dominated inside. Even so the Vikings

could have won the game with an average shooting night. Grayling went 6 for 32 in the first half falling behind 26-14.

After half-time adjustments to their offense, Grayling outscored Cheboygan 21-14 in the third quarter to pull close. Behind Val Willis' 23 points Cheboygan held off Grayling at the end.

Karyn Reynolds scored 16 for Grayling, Kris Laidenslager 12, Heidi Bendig 10, Stacey Wolcott 8. Heidi Derenzy 4, Michelle Barber 2, and Erin Jones 1. Laidenslager rebounded 10 shots and Wolcott pulled down 7 against a strong rebounding squad.

Against Gaylord, Laidenslager scored 18 points and grabbed 12 rebounds. Bendig contributed 15 points and Wolcott had 5 points and 9 rebounds. Jones added 5, Reynolds 4, Derenzy 4, Barber 2, and Shelly Trenary 1.

Mills said the first quarter at Gaylord was an exciting eight minutes with the ball going up and down the court between the two running ball clubs. Gaylord kept their momentum rolling in the second quarter increasing their lead from 16-14 to 33-22.

Grayling again came back cutting the lead to five, 42-37, at the end of three quarters and hung with Gaylord till the end. Karyn Reynolds hit two free throws to pull within one point with five seconds to go but Gaylord held the ball until the buzzer.

Women's Aglow

The Grayling Women's Aglow will be having their monthly meeting on Saturday, October 15 at the St. Mary's Family Center on Spruce Street in Grayling. This will be a special time of sharing for the ladies as it is their third anniversary meeting. From 9:30 a.m. to 10:00 a.m., refreshments will be served; and there will be worship and song from 10:00 a.m. to 11:00 a.m.

This month's speaker will be Maggie Priestap. Maggie will be ministering from 11:00 a.m. to approximately 12:00 noon. She is sure to have a message that will both inspire and challenge the ladies of the community and all are invited.

Laurie Scheer Named Youth Services Counselor

The AuSable Valley Youth Service Bureau is pleased to announce Laurie Scheer has joined their counseling staff. Laurie will be replacing Cindy Pushman as the counselor for the Oscoda county area. Laurie is a 1979 graduate of Grayling High School and recently graduated from Ferris State College with a Bachelor Degree in Social Services. While attending Ferris, Laurie completed 2 internships; one in Crawford and the other in Mecosta county. Both dealt with probation/parole work and involved supervising and counseling troubled adults.

During an interview with Laurie she stated "My main goals are to do my best at helping and counseling the youth in the Oscoda county area, and continue to make it a successful program. I'm looking forward to meeting and becoming friends with everyone in the Oscoda area. I will be available for all youth who need my assistance, or counseling services."

The Youth Service Bureau provides counseling for youth and their parents. All services are free, voluntary, and confidential. For more information call (517) 348-2841, ext. 282.

Laurie will be joining Doug Wilson, Director/Counselor, Amy Bagnasco, Youth Counselor for Crawford County, Bonnie O'Dell, Office Manager, and Paula Duncan, Secretary.

We are a United Way Supported Agency.

Word Processing Demonstration at High School

There will be an Olympia word processing demonstration given Wednesday, October 19, at the Grayling High School. It will be presented by Ron Clinton from Traverse City.

If there are any interested business people or individuals who would like to see this equipment, please call the high school to register for either the 9:50-10:40 presentation or the 10:44-11:32 demonstration.

Equipment to be on display will be a level-entry word processor with an electronic typewriter hooked to it, a dual disk drive word processor with an electronic typewriter hooked to it, supertype electronic typewriters with 8K and 16K memory, as well as two school model electronic typewriters.

Nordic Ski Club To Meet

AuSable Valley Nordic Ski Club (AVNSC) will meet Wednesday, Oct. 19 at 7:30, Lyon Twp. Hall. A X-Country Ski film will be shown. We will be setting up schedules for outings and special events. Persons interested in X-Country skiing are encouraged to attend.

Girl Scouts Fall Program

The fall program for Girl Scouts got off to a good start with new leaders starting new troops. The Grayling Elementary Open House volunteers signed up to take on troops without leaders and to start new troops with girls who signed up that night. Plans to get the troop meetings going are underway. Some troops like Cindy Green's Junior Troop 2127 and Kathy Gray's Junior Troop 2047 have been busy working on a badge called Troop Camper.

Lisa Barber with help from Barbie Green and

Becky Lozon wrote the following concerning their camping experience last weekend:

"We went to Pine Knoll camping and went for a hike up and down Hanson Hills. And went on an island it was real small. We slept in tents but we had to have an adult sleep with us in our tents. It rained in the morning. But we still made our pancakes. We made our own. At night we all talked about ourselves and we sang songs. Our troop has all fifth graders in it and a fourth grade troop went camping with us. Our

troop number is 2127. Their troop number is 2047. There were 22 girls in all and 6 adults. We sure had lots of fun camping. We had a nice visit from Mother Nature (Mrs. Ginther) and Bulch the Bee. (Kim Halstead)."

It sounds like the girls are off to a flying start earning their badge. The troops are going to be busy in the coming weeks getting their windows painted to help support the United Way campaign this month since United Way helps support the Scouts.

Military Careers Investigated By Middle School Careers Class

On Friday, September 16, the Career Exploration class from Grayling Middle School visited the Aviation Support Unit from Grand Ledge at the Army Air Field. Lt. John Johnston, Captain George Gluck, Captain Bruce Laderia and Lt. Mark Cosgrove discussed careers in military aviation with the students and showed them two helicopters they use, a gun ship and a troop carrier.

They stressed the need for those interested in aviation to stay in school and do well in reading, math and science.

They informed the students of the real competition for jobs in aviation units brought on by the depressed economy and the necessity for anyone who desires their jobs, to strive for academic excellence.

Mr. and Mrs. Geoffry Starks and their daughter accompanied the class on the field trip.

On Wednesday, September 21st, ET4 Sean McDaniel, U.S. Navy, visited the students in their classroom. He discussed a Navy career with the students, emphasizing the vocational training schools offered.

The students were impressed by the benefits received by military personnel, especially the re-enlistment incentives. Mr. McDaniel felt the military training and discipline in addition to the schooling, improved his chances of finding employment after his discharge.

Forming New Parents Group

A new group for parents of students in the Crawford-AuSable Schools is now being organized. Membership is open to all parents of children in the schools at any grade level. Other adults who are not parents of school children are also welcome to participate.

An organizational meeting is scheduled for Wednesday, October 26, 1983, at 7:30 in the Grayling Elementary School. All interested parents and other adults are invited to attend. There are no dues or other membership requirements.

The group is named the Crawford-AuSable Parents Group. The main purposes of the group are to provide opportunities for children and teens to experience success and build self-esteem, and to cooperate with school personnel to improve communication among school, family, and community.

Three goals for action have been established. One, this group will provide a source for the exchange of information between parents and school, and with the community at large. Two, it will work to provide enrichment services for children, teens, and parents. Three, group members will work with school personnel in a problem-solving approach to help meet the needs of both students and parents.

Questions regarding this new parents organization may be directed to Ann Stephenson and Marilyn Rosi.

Fall Fun-For-All

The Crawford County Arts Council is planning a Fall Fun-For-All at the Grayling Mini-Mall Saturday, October 22, from 9 to 5 p.m.

There will be all-day dancing, singing, and other entertainment along with an arts and craft show. A bake sale and giant cookie decorating table will also be part of the fun-for-all. Children can have their Halloween bags decorated, bags will be provided, or have their faces painted to help with ideas for a Halloween costume.

Cesarean Support Group

Making your unexpected or planned Cesarean Birth a rewarding and happy experience will be the topic of the Oct. 13th Cesarean Support Group meeting, 7:30 p.m. in the Conference Room of Grayling Mercy Hospital.

As Cesarean parents, we will discuss with you what to expect, what options are available and how to make postpartum recovery easier. We do not question particular doctor's practices or give individual medical advice. We hope to present questions regarding Cesarean birth that you should discuss with your own doctor so that you can still enjoy your child-birth experience should a Cesarean become necessary.

The meeting is free and open to all concerned. Cesarean parents are always welcome to share their experiences and concerns with us. For more information or support please call: Barbara Lueke (348-9643), Barb Hunter (348-9306) or Anne Farnsworth (348-8395).

Williams-Fick Speak Vows

On Saturday, August 27, 1983, Therese Ann Williams and Scott Douglas Fick were united in marriage at St. Mary's church. Father Rabor officiated at the afternoon ceremony.

Therese's matron of honor was her sister, Mrs. Mary Sium of Mason, Ohio. Her other attendants were another sister, Mrs. Maureen Stanton of Hampton, Virginia and a friend, Diane Faulman of Rochester, Michigan.

Scott's best man was Brian Fitzpatrick, formerly of Grayling and now of Berkley, Mich. Groomsmen were his two brothers-in-law, David Lovely and John Payne, both of Grayling.

The two ushers were Therese's brothers-in-law, Raymond Sium and Charlie Stanton.

The junior bridesmaid and escort were the bride's niece and nephew, Jennifer Sium and Matthew Kalinsky. The flower girls and ring bearer were also her nieces and nephew, Katie Sium, Robin Williams, and Todd Kalinsky.

The bride was given in marriage by her brother, Corporal Kevin M. Williams

of San Diego, California.

Therese is the daughter of Mrs. Marjorie F. Williams of Battle Creek and Scott is the son of Charles and Marilyn Fick of Grayling.

An evening reception was held at St. Mary's Family Center, after which Scott and Therese left for a two week trip to the East Coast.

The young couple, both recent Michigan State graduates are residing in Grayling and are both employed at C.F. Fick and Sons.

Over the years I have taken many people to see certain flowers or items of special interest to them. Not often, but occasionally, I have heard these people say that the walk tired them even though it wasn't a long one. What they did not realize was that a person who walks on sidewalks and pavements does not use the same muscles that he or she would use when walking in the woods. On a sidewalk a person does not have to think very much about the ways of walking but, in the woods, every step is a matter of balance. The trail, if there is one, may twist or turn and always seems to be uneven. The constant change in the trail is what tires the muscles of a person used to sidewalks. By the same token, walking on a city sidewalk for a long period of time bothers me, so I guess it is each to his own.

If you are planning a vacation where you expect to do a lot of walking, I would suggest some practice on one of our foot trails such as the AuSable River Foot Trail or the Mertz Grade Foot Trail which should be ablaze with fall color within a couple of weeks.

GRAYLING HEALTH CARE CENTER

(A Nursing Home Facility)

We are proud to introduce to the Crawford County community a new and modern, 120-bed intermediate and skilled nursing home. As a health care facility, we will be dedicated to the promotion of health and the advancement of growth for patients and residents admitted to our facility, the personnel on our staff, and for all the people in our community directly and indirectly.

We believe in the dignity of the human person, recognizing that each person has physical, mental, emotional and spiritual needs and rights, and that these rights must be respected. This respect will be reflected in the tireless efforts of this facility to provide the best 24-hour nursing care possible, through our licensed nurses, staff physicians and dietitian.

Even though the Grayling Health Care Center is not yet in operation, we are now accepting names for admission for our scheduled fall opening, which will be advertised at a later date in this paper. We will be Medicare and Medicaid certified and contracted with the Veterans Administration for V.A. patient; private pay patients and residents are welcome.

Glen's Markets & Family Centers has announced a major addition for their Grayling location. The expansion will involve over 50% more space, bringing the size of the building to over 30,000 square feet.

New features will include a service center as you first walk in, to take care of your bottles/cans and various one-on-one needs. It will also include a complete European style bakery and

delicatessen, a new produce department expanded to 3 times its present size, a decor package that will be second to none in most all of Michigan, and a covered drive-up area for parcel pick-up to help on those rainy/snowy days that we enjoy so many of up North.

Many Northern Michigan companies were allowed to bid on the \$500,000 project, but AuSable Construction owned by Bill Weaver and Larry Ostrowski of Grayling

was awarded the construction contract. Bill Weaver has said that much of the work force used will be from the Grayling area...keeping as many dollars as possible in Crawford County.

Glen's Markets first entered Grayling in 1959 when they purchased the B & C Supermarket at the location that currently houses McLean's ProMart Hardware. They later expanded that building and in 1972 moved into the present build-

ing which is now ready for expansion.

C. Glen Catt, President of the Northern Michigan based supermarkets which include twelve (12) stores, says he's very proud of Fred Armstrong (Grayling Store Manager) and all the fine people at the Grayling store for the way they have served the Grayling area. And he's looking forward to them being able to do an even better job with the new expanded facilities.

Bits O'Talk

Friends & family gathered together to help Tillie Gildner celebrate her 80th birthday. Everyone brought a dish to pass and she received some very nice gifts. The children attending were: Robert & Sherry Gildner, Richard & Doris Gildner, Charles & Lillian Avery, Calvin & Peggy Schreiber, Gene & Shirley Rauch, Bill & Irene Gildner and all their families, which numbered sixty-two.

Marie Lovely was pleasantly surprised on October 6, when a number of her nieces and nephews arrived at King's Nursing Home in Houghton Lake to help her celebrate her 99th birthday. Cake and ice cream were served. She received many nice gifts. Those who attended from Grayling were Agnes Nelson, Claribel Goss, Ruth Gornick, Nina Doremire, Boots Balch, Helen Harwood, Richard Lovely, Mr. and Mrs. LeRoy Akers, Mr. and Mrs. Leo Lovely, and Mr. and Mrs. Roy Lovely. Joining them at the home was another niece, Mrs. Veronica Neundorff of Midland.

CARD OF THANKS

I wish to thank all my friends, neighbors and family for all the cards, flowers and support during my stay in the hospital.

14 Crawford Co. Avalanche Kiwanis Installs New Officers

On Monday, the 3rd of October, Lieutenant Governor Bill Hanson met with the Grayling Kiwanis members and their wives at the Chief Shoppenagon, to install new officers and induct two new members; Daniel Hanson and Fred Allen.

Lt. Gov. Bill Hanson congratulated Richard Trudeau on an outstanding job as President. Richard Trudeau will continue to be active on the Board of Directors. Robert Harrington was then installed as the new President. Bob held the position of 1st Vice-President last year so he is not entering the position without experience. We are all looking forward to a good year under his leadership. Others installed were: Carl Naghtin as 1st V.P., Mark Furst as 2nd V.P., Secretary Robert Bovee and Treasurer Richard Febey was encouraged to continue the excellent job they were doing. Installed as new members on the Board of Directors were: Richard Wadsworth, Peter Ingvarsson and Ronald Kanimer. It was also noted that Richard Wadsworth will be chairman of the Public Relations Committee and will continue as editor of the Kiwanis Newsletter.

Lt. Gov. Hanson gave the inspiring slide presentation on the Theme, Goals, and Major Emphasis of Kiwanis International.

Thurs., Oct. 13, 1983 Middle School News

The 7th and 8th grade homemaking classes taught by Mrs. Dora Lantusch have completed the foods portion of their work. The 8th grade had special units on homemade desserts: pies, layer cakes and cookies. Both classes will begin their sewing units early in October.

Mr. Russell J. Phillips of Grayling Middle School is teaching an eighth grade quarterly class of Problem Solving Skills, a seventh grade quarterly class of Thinking Skills, a sixth grade quarterly class of Listening Skills and three sections of eighth grade English. The Problem Solving Skills class encourages various thought processes. Logic, alternative, primary solutions, final solutions, etc. are all a part of the program. The Thinking Skills class enacts creative thought processes and a search for answers wherever and however they can be found. The Listening Skills class employs the following: following directions, following sequence, identifying the main idea and details, summarizing, noting cause and effect, sensory inferences, listening critically and creatively. The English classes have been concentrating on capitalization, punctuation, and spelling. They have also participated in a testing program for diagnostic purposes.

Crawford County Board of Commissioners

Synopsis

September 13th Regular Meeting

The September 13th, 1983 Meeting of the Crawford County Board of Commissioners commenced at 9:30 a.m. with all Commissioners present but Harland and Miller. Miller arrived at 2:50 p.m., and eleven visitors appeared at various times. The minutes of August 25th were accepted as presented, and forty six pieces of correspondence were reviewed and placed on file. Actions resulting from these communications included:

Adoption of a resolution opposing the State's treatment of school retirement payments as part of the revenues required to be returned to local governments.

Supporting of a Midland County Resolution advocating State funding of local jail improvements.

The expenditure of \$70.00 for County participation in the joint purchase of a punch and bind machine sponsored by the Chamber of Commerce.

IN MATTERS RELATED TO FINANCE, the Board: Authorized payment of General Fund Vouchers in the amount of \$50,632.42, Fish Hatchery Fund bills of \$801.96 and Airport Fund expenditures totaling \$3,499.21.

Approved Commissioners' salary, per diem and expense vouchers respectively as follows: Kitchen - \$200.00, \$230.00 and \$22.00. Harland - \$150.00, \$270.00 and \$16.57. Neilson - \$150, \$150.00 and \$19.80. Mattis - \$150.00, \$200.00 and \$33.88. Joyce - \$150.00, \$280.00 and \$139.16. Welser - \$150.00, \$200.00 and \$4.62.

Awarded the bid on the sale of a 1978 Chevrolet Suburban to Loren Goodale for the high bid of \$1,251.00.

COMMITTEE REPORTS INCLUDED:

MENTAL HEALTH: Our district mental health agency is discussing implementation of a new funding formula based on population. The formula, if initiated, would phase in over four or five years and ultimately reduce Crawford's share of the district budget. Since Crawford's use of mental hospitals presently exceeds that of other counties in the district, these counties may be reluctant to adopt the new formula.

CONSORTIUM: A resolution was passed to adopt an amended Interlocal Agreement & Charter for the Northeast Michigan Consortium, and Joyce and Neilson were named delegate

DISTRICT HEALTH: Crawford's proposed school sewer system, responsibility for monitoring landfill wells in Cadillac and Crawford, a Cadillac city water project, and a lagoon approval on M-55 were discussed at the district meeting.

SOIL CONSERVATION: Renovation has begun of some streams in the Roscommon area.

ROADS & BRIDGES: M-72 East and West are being re-surfaced. There is concern about revenue reimbursement to the County being low.

EQUALIZATION: The Equalization Director was authorized to negotiate a 10% increase in the Assessing Contract with the City of Grayling.

NEMCOG: Mattis has been elected to the Board of Directors of the Northeast Michigan Development Committee. He will co-ordinate a meeting between our EDC, IDC, Chamber of Commerce, banks and HUD Director to explain program requirements.

LAW ENFORCEMENT: An agreement with H. James Bourque and Associates for consulting services was approved at a cost of \$750.00 for the months of October through December, 1983. Bourque will assist in seeking state and federal funding programs for jail expansion and other general purpose development activities.

BUILDING & PERSONNEL: A request from the Probate Judge that his secretary be granted salary status and a \$500.00 annual pay increase was approved, with the agreement that a previous request for full-paid retirement and life insurance be withdrawn. In addition the HUD secretary was raised from an 04 to an 06 equivalent hourly wage for as long as grant monies are available. A District Court employee granted a wage increase last month has requested a review of that decision.

NACo: A proposed manual will feature Crawford County's Land Use Inventory Map Project as compiled by Commissioner Joyce.

D.P.W.: Many items cited by the DNR relative to conditions at the Landfill have been corrected. Landfill revenues are up, co-operation on road repair is underway, personnel problems are being resolved, but equipment repair is necessary. Miller was authorized to take action necessary to obtain the plans and permits from Engineer C.I. Robinson per his previous agreement with the Landfill Board.

ZONING COMMISSION: A special use permit for construction of a trailer park in the Bradford Lake area has been issued by the Zoning Board.

INSURANCE: A decision on including the Grayling Recreation Authority on the County self-insurance policy was postponed, pending cost comparisons with private insurance companies.

HOUSING COMMISSION: The 1982 block grant has been extended until December 31, 1983; and the 1984 grant has been approved for \$250 thousand. Gross income of recipients has been expanded to over \$20 thousand, and does not exclude elected officials provided disclosure is made as requested by the Housing Commission.

ADDRESSING THE BOARD BY APPOINTMENT WERE:

CHET JOHNSTON, Public Transit Director, who reported that the Transportation Authority Board considers contracting of the Airport operation a viable alternative to County management, and that both approaches should be explored as soon as possible. The Board then directed the Assistant Prosecutor to draft an Operator's Agreement, after which the County will advertise for interested contractors for two weeks in the Avalanche.

ROY SPANGLER, Extension Director, who discussed alternatives to solid waste disposal, with emphasis on energy generating possibilities. The Chair appointed Welser, Joyce, Spangler and Randy Thompson to a special committee to study alternatives to our present landfill method of disposal.

CIRCUIT JUDGE WILLIAM PORTER, whose explanation of the need for an additional judge in the 46th Circuit led to the adoption of a resolution requesting and authorizing the creation of a second judgeship. Cost to Crawford County is estimated at \$4 to \$5 thousand per year.

DOUG WILSON, Youth Services Director, who reviewed the Bureau's programs in youth counseling. The two-county bureau received \$4,600.00 from Crawford in 1983, but proposed 1984 programs would necessitate \$8,500.00 in local funds. It was indicated that Youth Services is used frequently by Probate Court and school counselors.

JUDGE KRAUS AND JUVENILE AGENT BOB BOVEE, who reviewed the proposed 1983-84 Child Care Fund Plan and Budget between Crawford County, the Probate Judge and the Department of Social Services. Following discussion, the Board voted to adopt the \$103,700.00 budget, the County's share being \$55,700.00 for the twelve month period.

IN OTHER BUSINESS, the Commissioners:

Renewed the maintenance agreement on the Xerox Copier. Reviewed cost estimates on dehumidifiers for the courthouse basement, and repair or replacement costs for the Lottery Office air conditioner.

Meeting adjourned at 6:05 p.m.

Full text of official minutes is available in the office of the Crawford County Clerk.

Notice Regarding Traverse City Public Meeting

Pursuant to the Consent Judgment issued on August 8, 1983, by the Honorable Douglas W. Hillman in Rodney A. Bailey, et al, Plaintiffs, v. Rural Electrification Administration (REA), U.S. Department of Agriculture, et al, Defendants, United States District Court, W.D. Michigan, Southern Division, notice is hereby given of a public meeting conducted by the Rural Electrification Administration in conjunction with a pending loan application by Wolverine Power Supply Cooperative to finance its continuing ownership interest in the Enrico Fermi Unit #2 Power Plant presently under construction by Detroit Edison Company. Included in the pending loan application and incidental to proposed additional financing for the power plant is a request for loan funds to purchase part of a transmission line presently owned by Consumer's Power Company.

The purpose of the meeting is to take oral and/or written statements from the parties to this proceeding and the public concerning (1) the environmental impact of any past or pending or the next loan guarantee application and proposed approval; (2) any unavoidable adverse environmental effects of such action or proposed action; (3) alternatives to such action or proposed action; (4) short-term uses of man's environment versus maintenance and enhancement of long-term productivity with respect to such actions or proposed actions; (5) irreversible and irretrievable commitments of resources involved in such actions or proposed action; and (6) the now applicable REA guidelines with respect to the National Environmental Policy Act. (42 USC 4321 et seq.) in relation to the next or pending application for a further REA loan guarantee to the Wolverine Power Supply Cooperative, Inc.

PLACE OF MEETING: Auditorium, Traverse City Senior High School, 1150 Milliken Drive, Traverse City, MI 49684

DATE OF MEETING: November 9, 1983

TIME OF MEETING: 7:00 PM (EST)

CHAIRPERSON: Merle J. Beachy

Any person desiring to submit a written statement for inclusion in the meeting record may do so at or prior to the meeting. Written statements may also be submitted to REA not later than December 9, 1983. Unless entered at the meeting, written statements should be mailed to Merle J. Beachy, Chief, Distribution & Transmission Engineering Branch, Northeast Area-Electric, Rural Electrification Administration, Washington, D.C. 20250.

Any written and oral statements introduced into the public record of the meeting which concern past actions of the REA, or past loan guarantees pertaining to the financing of participation by Wolverine Power Supply Cooperative (and its predecessors Northern Michigan Electric Cooperative, Inc. and Wolverine Electric Cooperative, Inc.) in the Enrico Fermi Unit #2 Power Plant shall be accepted for information purposes only and shall not affect the validity of any such loans or related federal action.

Not later than December 9, 1983 written inquiries relevant to the purposes of the November 9, 1983 meeting may be submitted to REA for comment and response. Comments or responses by REA may be provided at the November 9, 1983 meeting or furnished in writing on or before February 8, 1984. Written questions by any person shall be relevant to the scope and purposes of said meeting.

REVIVAL SERVICES—The Grayling Assembly of God will hold Revival Services October 16-20 with Evangelist Levern and Shirley Davis of Pell City, Alabama. Sunday services will be at 10:00 a.m. and 6:00 p.m. Week night meetings are at 7:00 p.m.

The Davises have been involved in full time ministry for over fifteen years, during which time they have served as both pastor and evangelist. Rev. Davis' gospel preaching will be a blessing to everyone. He also has an appointed ministry of music. There will also be prayer for the sick in these services.

Rev. Donald L. Roberts, pastor of the local church, extends an invitation to the public to attend these special revival meetings.

Chamber Chatter

By Joyce Koika

The dates for the Milltown Festival in 1984 are set as a result of action taken at the committee meeting last week.

The events will begin on Tuesday, July 24 and wind up with the AuSable River International Canoe Marathon on July 28. The decision was made to end with the marathon since it will be held on a Saturday next year and that was felt to be a natural as the grand finale of Milltown.

Preliminary plans call for a community potluck as a kickoff event and the canoe association members indicate that on Friday, July 27 they are thinking about holding a series of amateur short races.

An important service announced recently is the Blood Pressure Clinic co-sponsored by Mercy Hospital and the American Red Cross-Crawford County Chapter. The clinic will be held every second and fourth Monday as long as there is a demand for the service. The next clinic will be held on October 24 from 3:30 - 7:30 p.m. Certainly it has proven to be a lifesaver for many people and we urge one and all to take advantage of taking a step to a longer life.

P.R. Director Don Geiss attended the 4-H Awards program last week and was amazed at the number of young people enrolled in the various aspects of 4-H activities. Also notable is the number of adults working as volunteers to provide leadership and guidance. Certainly the 4-H Program directed by the Crawford-Roscommon Michigan State University Cooperative Extension Service is to be commended for providing youngsters with experiences and activities which will help shape their future.

A recent request by a church group to place an event in the weekly newspaper calendar and in the chamber column reminds us that there is an early deadline for those items. The calendar and column are written and submitted to the Avalanche on Thursdays. Information to be included must reach the chamber office by Thursday morning.

All of the above information leads to another reminder and that is about the Calendar of Events maintained by the chamber office. In order to avoid conflicting dates for local events, the calendar is maintained. If an organization only calls to schedule an event, they have not made full use of the program. Ideally what should happen is for a chairperson or someone on the event committee to call and research open dates. This call should be made just prior to making a selection of a date so that someone will not schedule an event while the group that checked is not close to making a decision. Once a final date is selected, the chamber should be notified so that other groups can be alerted to the fact that an activity is already scheduled.

The Color Tours have been postponed until October 15-16 this weekend. It is a gamble but at the time of this writing, color had not developed in the ridges as it should have by this time. Of course, if the conditions are right and rain and wind comes along it will spoil the plans, but as we said it was a gamble that had to be made.

The Crawford AuSable Schools Building Trades class is really "going to town" on the new chamber building. May we invite the community to stop at the City Park and see what an excellent job the young people are doing. We understand that the city has now running water and sewer to the structure in preparation for the interior plumbing.

This week we wish to welcome into chamber membership and to the community Dr. James H. Seals who is an optometrist and is an associate of Dr. Ralph Hoffman's. Their office is located at 904 Michigan Ave. and their newly added hours are Thursdays from 11 a.m. to 8 p.m. and Saturdays from 9 a.m. to 5 p.m. Dr. Hoffman has been a chamber member for many years and we hope they will both become active in chamber affairs.

Legal Notice Notice Regarding Traverse City Public Meeting REA Approved Copy

Pursuant to the Consent Judgment issued on August 8, 1983, by the Honorable Douglas W. Hillman in Rodney A. Bailey, et al, Plaintiffs, v. Rural Electrification Administration (REA), U.S. Department of Agriculture, et al, Defendants, United States District Court, W.D. Michigan, Southern Division, notice is hereby given of a public meeting conducted by the Rural Electrification Administration in conjunction with a pending loan application by Wolverine Power Supply Cooperative to finance its continuing ownership interest in the Enrico Fermi Unit No. 2 Power Plant presently under construction by Detroit Edison Company. Included in the pending loan application and incidental to proposed additional financing for the power plant is a request for loan funds to purchase part of a transmission line presently owned by Consumer's Power Company.

The purpose of the meeting is to take oral and/or written statements from the parties to this proceeding and the public concerning (1) the environmental impact of any past or pending or the next loan guarantee application and proposed approval; (2) any unavoidable adverse environmental effects of such action or proposed action; (3) alternatives to such action or proposed action; (4) short-term uses of man's environment versus maintenance and enhancement of long-term productivity with respect to such actions or proposed actions; (5) irreversible and irretrievable commitments of resources involved in such actions or proposed action; and (6) the now applicable REA guidelines with respect to the National Environmental Policy Act. (42 USC 4321 et seq.) in relation to the next or pending application for a further REA loan guarantee to the Wolverine Power Supply Cooperative, Inc.

Place of Meeting: Auditorium, Traverse City Senior High School, 1150 Milliken Drive, Traverse City, MI 49684.
Date of Meeting: November 9, 1983.
Time of Meeting: 7:00 p.m. (EST)
Chairperson: Merle J. Beachy.

Any person desiring to submit a written statement for inclusion in the meeting record may do so at or prior to the meeting. Written statements may also be submitted to REA not later than December 9, 1983. Unless entered at the meeting, written statements should be mailed to Merle J. Beachy, Chief, Distribution & Transmission Engineering Branch, Northeast Area Electric, Rural Electrification Administration, Washington, D.C. 20250.

Any written and oral statements introduced into the public record of the meeting which concern past actions of the REA, or past loan guarantees pertaining to the financing of participation by Wolverine Power Supply Cooperative (and its predecessors Northern Michigan Electric Cooperative, Inc. and Wolverine Electric Cooperative, Inc.) in the Enrico Fermi Unit No. 2 Power Plant shall be accepted for information purposes only and shall not affect the validity of any such loans or related federal action.

Not later than December 9, 1983 written inquiries relevant to the purposes of the November 9, 1983 meeting may be submitted to REA for comment and response. Comments or responses by REA may be provided at the November 9, 1983 meeting or furnished in writing on or before February 8, 1984. Written questions by any person shall be relevant to the scope and purposes of said meeting.

vs.
Gary L. Smith and
Barbara J. Smith,
Defendants

File No. LT 83 043
ORDER

Petitioner's Motion for an Order allowing service of process by publication upon Defendants, Gary L. Smith and Barbara J. Smith, having been heard, and an Affidavit filed in support of said Motion having been considered, the Court finds that service of process by publication provided for under D.C.R. 106 is necessary as the whereabouts of the Defendants and their residence is unknown; that the Defendants reside outside of the State; and that a Summons and Complaint have been returned showing that service of process cannot be made in the County where the Defendant previously resided.

NOW, THEREFORE, the Defendants are hereby notified that a civil action has been commenced against them for forfeiture of a certain Land Contract between Arthur E. Clough and Lillian A. Clough, dated June 1, 1979 between the parties hereto for the following described property: Lot 3, Block 2, Plat of Karen Woods, according to the recorded Plat thereof, Township of Grayling, County of Crawford, State of Michigan, and that, if you desire to defend same, you are required to answer or take such other action as may be permitted by law with regard to the Complaint filed against you, in the District Court for the County of Crawford on or before October 18, 1983. If you fail to do so, Judgment by Default will be taken against you for the relief demanded in the Complaint.
